

May 2020 President's Newsletter

Gentlemen,

Things are looking up! I hope this letter finds each of you healthy and a little less fearful than a month ago. First of all, we all need to continue to keep Bart Fowler in our thoughts and prayers and hope for a speedy recovery.

Some good news—as you all probably know we are allowed to play golf and as of last night we no longer need to wear a face mask while playing. The decision makers are still requiring everyone to have a face mask with them, just in case??? We all can agree this has been a trying situation especially when some of the decisions being made don't always seem logical. Some things to ponder: why is the golf course closed on Mondays and Tuesdays? This is something that no one has had an answer for although there are lots of theories. That said, there will be no Monday event until things change and no one knows when that will be. We are still planning on having the Dry Heat tournament on August 3rd and 4th, so stay tuned in for that.

Let's please remember to continue to follow the "new" rules about social distancing etc. If anyone is not sure of the rules, please call the proshop. OK, let's play some golf and try to knock off some of the rust.

Rich Mercatante-President TLQMC
