

## June President's Newsletter

Gentlemen,

Not much to report for last month. We had some fantastic weather in May however we're now entering the dog days of summer. Lots of heat coming for us desert rats but don't let it keep you off the course. Our Canadian and Snowbird buddies may be enjoying cooler breezes but we're getting 20, 30 even 50 plus more yards off our scorching summer fairways. It's time to hit those stingers...or you can make it easy and top it like I do...hey, distance is distance! Remember, summer handicaps are lower handicaps. You just gotta hydrate and get out there and play!

If you haven't heard, Tom Brown submitted his architectural plans to the City of La Quinta on May 20<sup>th</sup> for the remodel of the Pro Shop and expansion of the restaurant. The City should take roughly six to eight weeks for approval so work could start by August. I for one will not mind any inconvenience the construction may cause given the prospect of a new bar and grille and a larger restaurant.

While we're out there muttering about the trials of the desert summer let's make sure to keep members Army Levy and Mike Doyle and former member Bill Able in our hearts. These guys are fighting the good fight against cancer and need all our good thoughts.

Starting Monday June 6<sup>th</sup> we will be going to the 7:00 AM shotgun starts to beat the heat. Remember our General Meeting on June 20<sup>th</sup> at 4:00 PM in the Santa Rosa Ballroom. A free drink is in your future.

Thanks,

Pat
