

## January 2019 President's Newsletter

Hi guys,

Repeat after me...My New Year's Resolution is to learn all of the New 2019 USGA Golf Rules and abide by them! We have had some overviews presented by The Rules Committee, but everyone needs to review and understand them. The main page of our website [TLQMC.NET](http://TLQMC.NET) has a link to the Rules on the USGA website as well as a PDF synopsis of the new rules. I know you're going to like not having to remove the pin while putting.

Our first Tournament of the year is The President's Cup. This is a flighted match play event. Spots are filling up fast, so get your entry form and check over to Tom Sweet's house as soon as possible. First Round is Monday January 14<sup>th</sup>. The form and all pertinent information can be found on the website under Tournaments.

I hope everyone had a Happy Holiday Season. Our Holiday Tournament was well attended again this year. The winning team was Alan Barroll, Dan Becker, Pete Whalen and some other guy. This is the 3<sup>rd</sup> year in a row that Pete has been on the winning team. Again, Thanks to Tournament Chairman Tom Sweet and all involved in the planning for this event.

Don Evans is taking over as Monday Play Coordinator beginning with the first date of the season on January 7<sup>th</sup>. This is a tough job to do, so please let's assist him in any way you can. Mostly, fill out your scorecards completely, accurately and legibly.

Thanks,  
Joe Rutherford
