**Board Meeting Minutes – May 6, 2019**

- Meeting called to order by President Joe Rutherford at 2:30 PM.
- Attendees: Joe Rutherford, Ron Englhard, Tom Sweet, Rich Mercatante, Mike Budd, Mike Wolff, Don Evans, Ed Warman
- Secretary's Report: Reading of the Minutes from the April 1 Board Meeting was waived.
- President Joe Rutherford stated that the usual reports would not be given and that the topics of discussion would be the results of the recent survey.
- The most common response from the survey was that "pick your partner" events were disliked. A discussion of this year's calendar showed that there were 10 pick your partner events out of the 48 event total. It was agreed that there would only be 8 such events in next year's calendar.
- The survey also showed that the membership preferred events that enabled them to play their own ball and post their score. It was agreed to eliminate scramble/alternate shot events.
- It was also agreed that team events would have no more than two balls on par 4's and 5's and three balls on par 3's counted as the team total.
- Don Evans and Steve Prosenjak were given the task of putting together a proposed schedule of events for 2020 and present the schedule at the next Board Meeting, June 10<sup>th</sup>.
- The "handicap by hole" survey results indicated that the responders preferred what was the original allocation of hole handicaps as was established by the SCGA at the opening of the course. The Board voted to modify the allocation by switching the handicaps on holes 14 and 17. Hole 14 will have a handicap of 4 and hole 17 a handicap of 8. This information will be given to the golf course operator so that new score cards can be ordered.
- The next Board Meeting and General Membership Meeting will be held on June 10<sup>th</sup>.
- The meeting was adjourned by President Rutherford at 3:10 PM.
