

November President's Newsletter

It's November and that means it's the beginning of a brand new season, and I hope you are as ready as I am! Welcome to all 166 TLQMC members, from desert rats to snowbirds, let's tee it up for the fun and fellowship offered by our great club.

The over seeding of the course has gone exceptionally well and as you know there is nothing more inviting than a newly seeded golf course. As of this writing, opening day for the course and the driving range will be Monday, November 7th pending a final inspection by golf course personnel early this week. I'll let you know if there is any change. It has not yet been determined if play will be open or cart path only. However the temporary pro shop, located in the trailer opposite the cart barn is now open. Miguel, Anna Rosa and Colleen are working diligently to make sure it is ready for opening day while construction of the grille should be underway soon. Also, for now the plan is to sod over the unfinished putting green by number #1 tee. Given that the current practice green can be used until a permanent pro shop is constructed the course thought this to be the best option.

As Monday Event Coordinator Steve Prosenjak informed you in his email, the course opening coincides with our first Monday game of the season. Be sure to review our website to re-familiarize yourselves with our procedures and tips for the game. As always, our mantra is Keep Up with the Group In Front of You!

Once again I remind you that our first tournament, The Welcome Back, is scheduled for November 21st. There are a few spots left so get your applications to Ed Warman (ed_warman@outlook.com) as soon as possible. You can download an application from the home page of our

website. And don't forget, the Holiday Tournament follows quickly on December 12th. More information will be coming soon on this great tournament that allows us to dine with our friends and spouses in the Santa Rosa Ballroom. These are two of our premier tournaments that you don't want to miss.

If you haven't already, please get your membership dues into Membership Chair, Ray Dorfman (raydorman@yahoo.com). The sooner you do the sooner Ray quits pestering us with those emails. Also, Handicap Chair Ken Smooke asked that I remind you that when play starts you need to turn in all your scorecards, clearly and accurately filled out, after every round you play.

Lastly, work on the beta site for the re-landscaping of the golf course adjacent to the green on hole number one has started. In view of this I ask you now to mark your calendars for December 7th at 2:00 PM for our HOA's Neighborhood Meeting regarding their discussions of this very important issue with The Golf Course. You don't want to miss it.

I almost left out the best part. There's a free drink in your future if you attend our TLQMC General Meeting on November 28th. This is an important meeting as it is where we elect our Board for 2017. Hey, it doesn't get any better, you get to cast your vote then grouse about it over a free drink!

Thanks,

Pat
